

PRESS RELEASE

23 August 2007

STANDEN-PEARSON - VIDEOS ON THE WEB!

STANDEN-PEARSON Potato Systems products can now be seen working on our website www.standen.co.uk – along with PDF brochures and used potato field machinery

FEATURED VIDEOS:

POWAVATOR, BEDFORMERS, MEGASTAR, UNISTAR, SP PLANTERS, TRAILED PLANTERS, FM-2 TOPPERS, QM COMPACT, VISION XS, ENTERPRISE, T3 3-ROW, STARSTREAM CARROT HARVESTER and BASELIER CULTIVATORS and TOPPERS. Simply go to the relevant product page, double click the link, you'll find the video link under the first paragraph!

A DVD showing the complete range of films is also available on request, and many product web pages offer downloadable PDF brochures too.

USED POTATO FIELD MACHINERY PAGES

STANDEN-PEARSON dealers in the UK and worldwide can upload details of their used potato field machinery items to the site and there's a constantly changing range of machines for sale. A complete listing can be found at <http://www.standen.co.uk/used/>
